CITY OF CALDWELL PRESS RELEASE

DATE: June 19, 2024

The City of Caldwell invites community members to participate in an upcoming public engagement series for the Caldwell Comprehensive Plan and the Event Center District Subarea Master Plan. These events provide an opportunity for residents to share their input and help shape the future of our community. The open house will build on what was heard from the community during the visioning events earlier this year and will ask community members about goals and land use choices. The design charrette will focus on the area near the College of Idaho and County Fairgrounds.

Event Schedule:

Comprehensive Plan Open House:

- Thursday, June 27: 6:00 p.m. - 8:00 p.m.
- Friday, June 28: 12:00 p.m. - 2:00 p.m.

Event Center District Subarea Master Plan Design Charrette:

- Thursday, June 27: 4:00 p.m. - 6:00 p.m.
- Friday, June 28: 10:00 a.m. - 12:00 p.m.

All events will be held at the Caldwell Executive Airport (4814 E Linden St., Caldwell). No registration is required for the open house events. However, attendees are encouraged to RSVP for the design charrette on the project website www.PlanCaldwell.com. Spanish language interpretation will be available.

For those unable to attend the open house, an online questionnaire will be available on the project website, www.PlanCaldwell.com. The project website also features more information about the projects and allows participants to sign up to receive emails about future meetings and project updates.
