CITY OF CALDWELL PRESS RELEASE

DATE: December 16, 2022

Caldwell Pool to Remain Closed for the 2023 Season

The Caldwell Municipal Pool will not reopen for the 2023 swim season. City staff is working toward a plan to update and improve the pool after its closure in 2021 due to age related deficits.

“It is our mission to assure each member of our community has a beautiful, safe, and enjoyable city in which to recreate. We understand that a city pool plays an important role in that mission. However, the City pool is not able to be safely operated in its current condition, we are considering all options available to get it back up and running in the quickest and most cost effective way possible,” said Juli McCoy, Caldwell Parks and Recreation Director.
